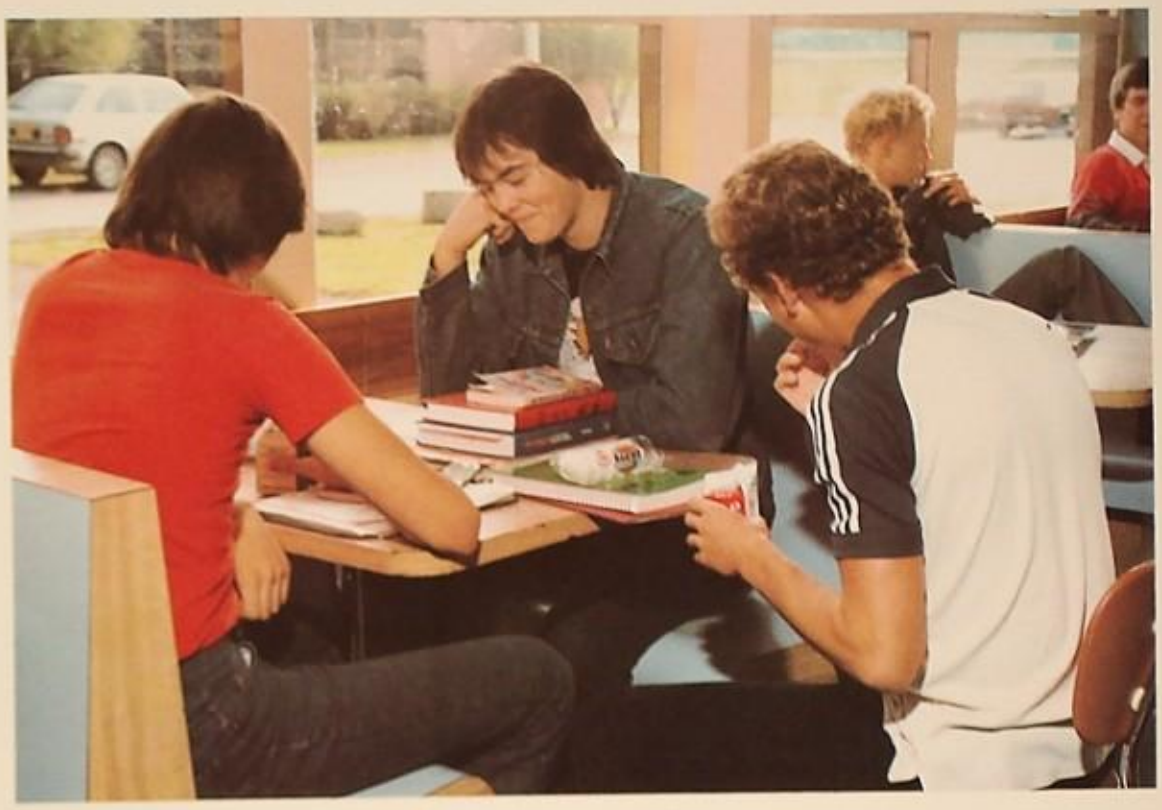
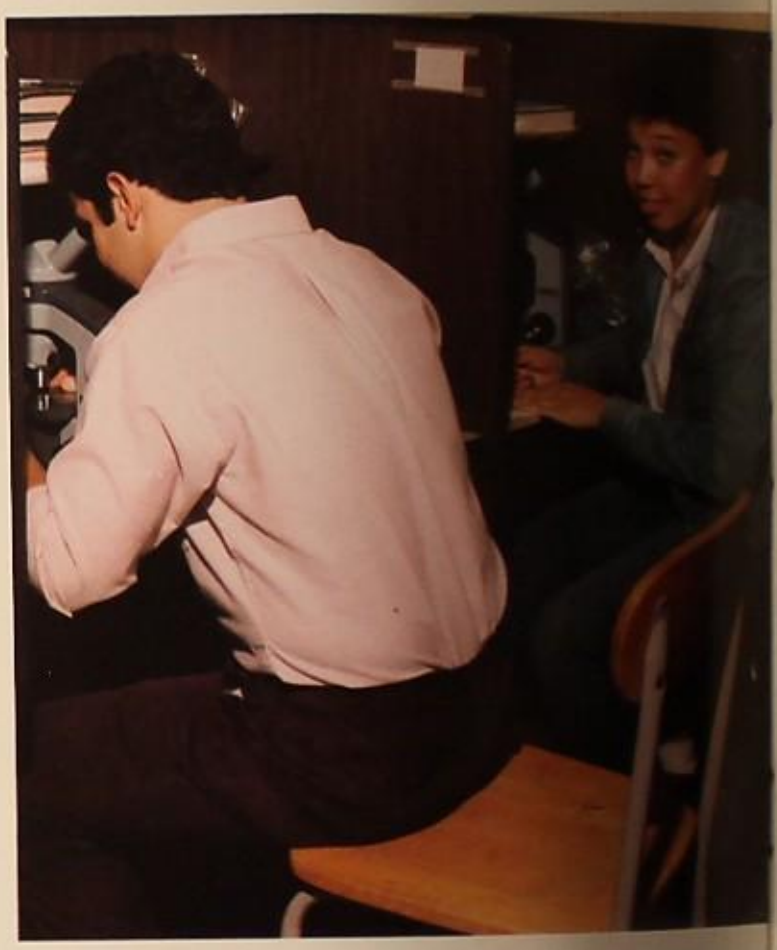
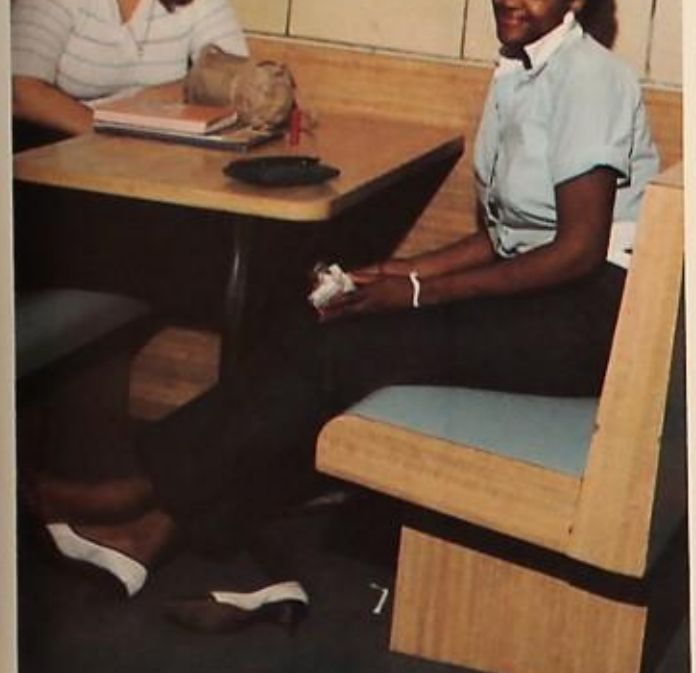
GUILDERLAND
HIGH
SCHOOL







To life we add,
a certain grace.
Each at a certain time.
And in a certain peace.

A master plan we follow.
Each as best he can.
Not knowing any outcomes,
doing our best to understand.

There is part of the plan for hellos,
and also time for good-byes.
There are tears of joy and sorrow,
and a time for friends to die.

Changes come,
and come they must.
We learn to accept,
we come to adjust.

And in the end there is no right,
there is no wrong.
There is you & me,
and the love for friends who've gone.

We are so proud of you, and ask the Lord to continue to bless your future endeavors.
Love from all of us,
Mom, Dad & All

Stephen Erik Hartmark

Erik,
To say "good luck" and "we love you" can't encompass our many feelings. You have provided us with your irreplacable solace and love. We are forever in debt for what you have added to our family. Please go out into the world knowing that you are the most loving young gentleman we know and that that is the biggest success of all.
Dad, Mom, Laura, Linnea, Oof-da, and Lindy

Debra Giambo

Deb,
You have always made us very proud of you as a person and of your accomplishments. May your future be bright and filled with happiness, joy and success. We love you.

Principal's Message

Dear Members of the Class of '85,

Your day has come! Your life is about to open on a new, untouched and unwritten chapter. You have so many choices to make! So many adventures to try! So many dreams to follow! Rejoice!

Life teaches us all one cruel tale, too. It shows us that friends, family and lovers can come and go. *You* remain the only guaranteed constant. You must believe in yourself. You are special - a one of a kind. Be proud of that fact. You know what you don't want for your life. Now is time to sort what you do want. Search, stretch and enjoy!

As you walk away from Guilderland Central High School, I hope you hold some fond memories. I hope you've gained knowledge enough to help you and make you want to learn more. Lastly I hope you will always work so as not to settle for second best. *You* have worked for the best. Each and everyone of you can be the best. Believe you can; I do.

The very best wishes to you. Congratulations to one great class.

Respectfully,

Focus Family

The backbone of Focus is the Family group. Each Family consists of a maximum of twelve students and one Focus teacher/advisor. The Family is a group process which utilizes the peer group to encourage positive youth development. The Family causes students to recognize and deal with her/his reason for being turned off toward school. A new addition this year is the annex, located at St. Mark's Community Center.

Term Paper Trauma

"I can't find a book on the Spanish Armanda."
"Do you have magazines on George Orwell?"
"I need a biography of Da Vinci."

From October to June, the school library is crowded with students "enthusiastically" searching for books on a variety of topics. Even SUNYA gets an influx of GCHS students who do term paper research in the college library and eat in the college cafeteria.

Students have different reactions to writing term papers. One student remarked, "I didn't get much from it." Another said, "I can see writing a term paper, but when teachers don't give them back it isn't fair." Believe it or not, a few students fine term papers "fun, a challenge." A couple of students claim to have made it to their senior year without ever writing a term paper, but most students do write their term papers, though reluctantly in some cases.

PUMPING IRON

It takes no special astuteness to observe that Guilderland High students are mindful of their physical fitness. What we sometimes forget, or choose not to remember, is that a healthy body helps to make a happy mind. So whether it be grasping hold of the jump rope, a tennis racket, or the cold steel bar of a set of weights, the result is that satisfying feeling that you're doing a heck of a good job for your body!

To many students, one class is just like another; the teacher talks, you take notes, you take a test every now and then, and that's it. The break from this comes with labs.

In science classes, every sixth day the students work on their own or in pairs dissecting frogs or cats, examining plant leaves, or combining chemicals to obtain some rather interesting results.

For many students, "lab day" provides a welcome change to the regular classroom learning process, and gives everyone a chance to experiment on the things taught in formal classes.

Guilderland has never lacked budding artists; sculptors, painters, or ceramists. Every year many students display their creations at local art shows, and return home showered with awards like Nari Chung and Leigh Tarentino. Both girls placed second in the Regional Olympics of the Visual Arts, and took third place in the State Competitions.

Dance Company

Two different groups participate in Dance Company: those who wish to perform and those who enjoy dancing for exercise and physical activity. In December, Dance Company performed of the SAE Arts and Crafts Fair, as they have for each of the past six years. We also look forward to a Spring Performance as weel as performing at the elementary schools ans Middle School. We always enjoy such occasions.

National Honor Society

Ski Club

The Ski Club began it's season this year with an organizational meeting in mid-October. The membership elected the following officers: President, Pat Mullaney; Vice President, Alex Jefferson; Secretary, Teresa Kavanaugh; and Treasurers, Steve Bini and Lori Verrigini. During November several members chose to participate in a candy sale with hopes of reducing their skiing costs. Brett Walker received honors for the greatest number of sales. He also received a combination AM/FM Digital Clock/Phone in addition to his ski trip credit of over $100.00!

The ski club took trips to several of the big areas such as Mt. Snow, Stratton, Gore, Bromley and Whiteface Mountain. The membership ranges in ability from first time skiers to those who can handle "everything on the mountain".

For many of the members, the biggest trip of the year is a ski weekend in Northern Vermont.

Varsity Club

Student Government

Throughout the Fall, Student Government was active in sponsoring many after school activities designed to provide the opportunity for socialization not inherent within the everyday school schedule. These activities were Welcome Back Bash, Homecoming Weekend, and the always popular Air Fest. In addition the group also organized computer dating, as well as the purchase of a stereo system for the cafeteria. A few events now being planned include the Rock-A-Thon for a local charity, and a Faculty Basketball game, whose proceeds will be donated to the Student Scholarship Fund. This group is also responding to student concerns by developing a plan to move the West Smoking Area, plus create a lounge where students can meet during unscheduled time during the day.

Sceptre Service

Media Club

Media Club is open to all students who are interested in television and film production. Involved students assist with in school filming of classroom activities and many instructional programs. They also produce the morning show The Flying Dutchman, and Cable TV programming.

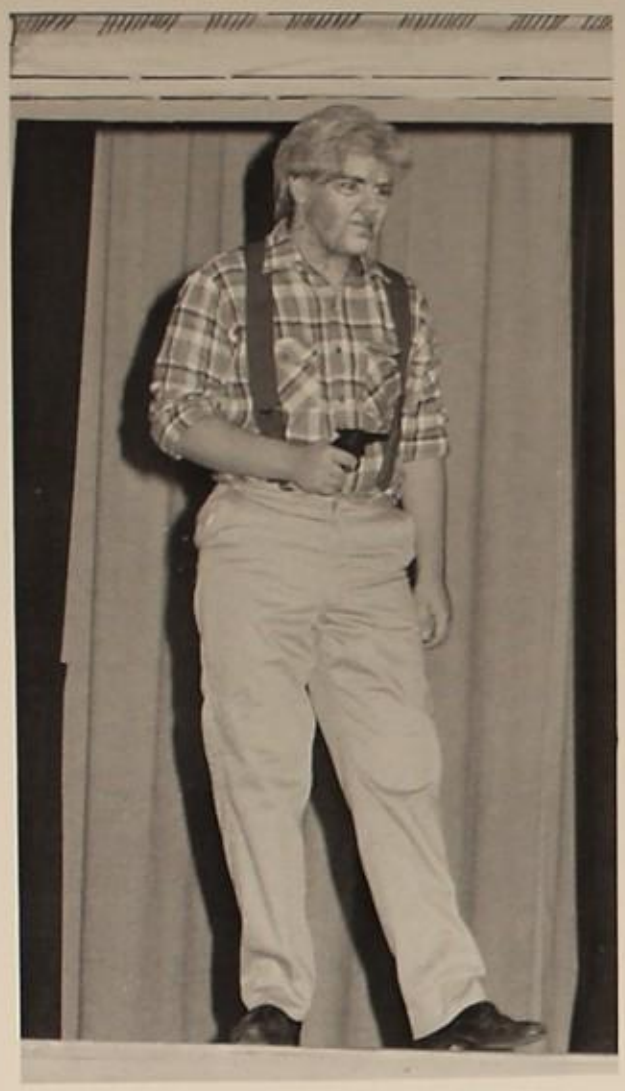
Riding Club

The Riding Club is an organization for our students who are interested in horses. Students learn the skills for the care of horses and also the skills necessary for riding in competition. The club meets at Ballybay Farm in Guilderland Center. Lessons are given once a week by a professional instructor. Many of the members have successfully competed in local competitions.

Guilderland Players

Mrs. Obloy, Dancing Director

Mr. Heitkamp, Production Director



The Guilderland Players is in it's 16th year of providing performing opportunities to all students. In the summer of 1984, we presented *I Sincerely Doubt That This Old House Is Very Haunted.* In November we produced *Murder On Center Stage.* Our Spring 1985 effort was *Guys and Dolls,* Guilderland High's 16th Broadway Musical. The winner of the 1984 Guilderland Players Alumni Award was James Keil.

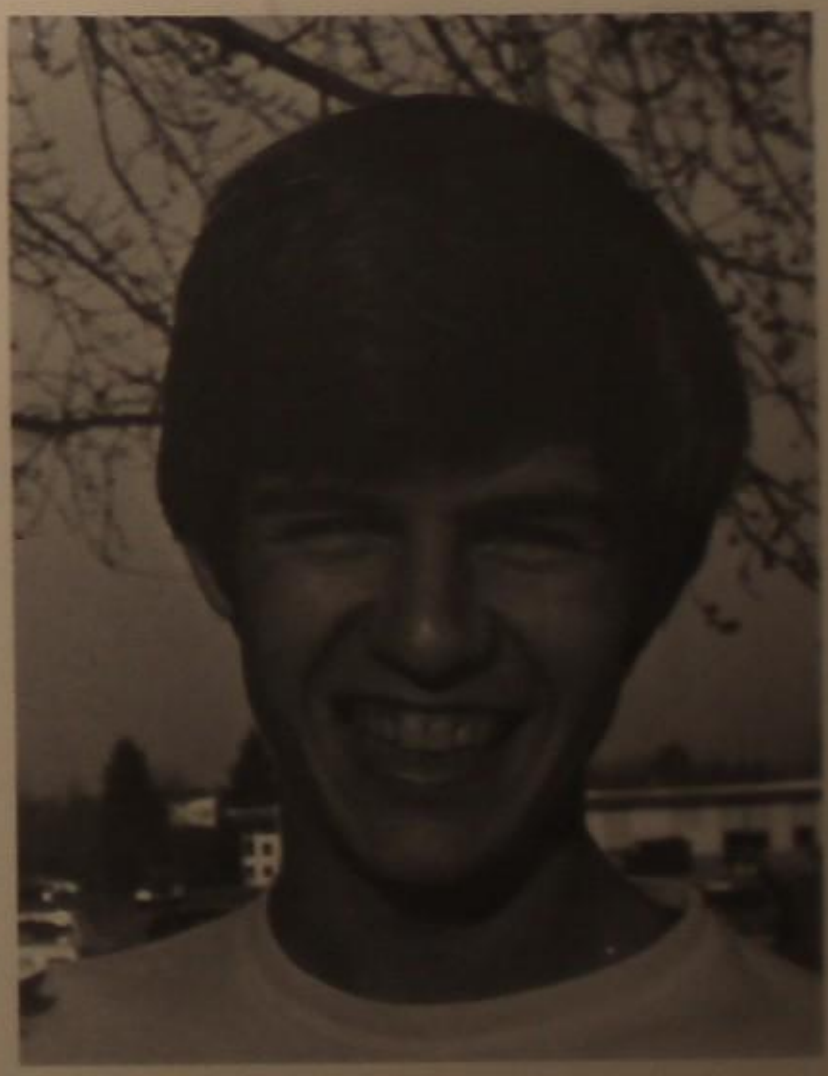
Foreign Exchange Students

My name is Jurgen Satt. I am a Rotary Exchange Student from Cochabamba, Bolivia. I've studied English in school for eleven years.

What I like about GCHS is that I can be involved in many sports. I also like my free mods which gives me time to be with my friends.

I am happy that I came to the U.S. because I have had the opportunity to live in a different culture. I will never forget this wonderful experience.



Hello, the people call me Borja, so that's my name. I'm a foreign exchange student from Spain. I was born in the north of Spain, Guipuzcoa, but I live in Madrid. The idea to come here wasn't mine; my parents looked for an organization, and they found SUNFLOWERS. Sunflowers is the Spanish representative of A.I.S.E., American Intercultural Students Exchange. I'm going to be here for one year, since the fifteenth of August to the fifth of July 1985.

I'm enjoying America, I thought that it would be different, because the idea that the European people have about America is that which the movies show us; the violence, the big cities, etc. . . . But anyway, I was in Chicago five years ago, so I had a little idea of what this would be like. I also like the American people, they are usually friendly, and they help you in all that they can, if they can.

One thing that impresses me is the school; it is bigger than mine in Spain, and the gyms are in better condition than the gyms in Spain. Another thing that impresses me is the sports; they practice every day. In Spain, they don't care very much about high school sports.

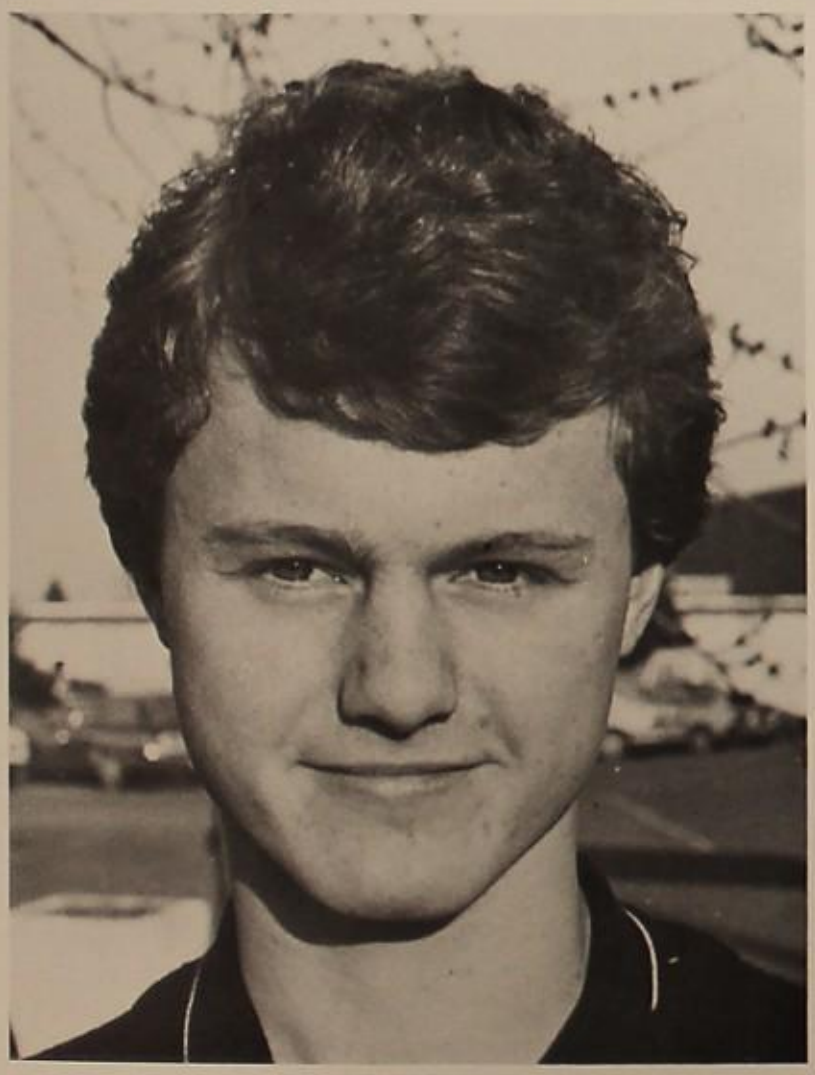
So I Like America!!!

Hi, I'm Miguel Hervas, from Spain. I'm here as an exchange student for my senior year. I came to Guilderland High through my organization, OPEN DOOR. Besides (studying in) this country, I've also studied in France, England and Germany. From all the schools I've been to, GCHS is the biggest and the one which offers more choices and opportunities to the students.

I'm very happy to have been able to come to this school and to this country. It's something I think is worthwhile doing because you learn a lot of things about the people, their culture and their language.

I wish luck to the class of '85.

Miguel



Hi, my name is Nick Garemo and I'm from Gothenburg, Sweden. However, during recent years I have actually spent more time abroad than in my own country, due to the fact that my parents worked in Sri Lanka for four years. During my stay there I attended a school with no more than fifty students enrolled. I do enjoy traveling to and living in foreign countries and that's the main reason why I chose to spend a year here in Guilderland, a choice I haven't regretted for a second.

There are a few very significant differences between the schools I've been enrolled in previously and GCHS. The size, for one thing, is different. The school I went to in Sweden last year had, as a comparison, only 500 students enrolled and the one in Sri Lanka, as I mentioned before, even less. Furthermore, they don't promote sports and there isn't any intramural sports program. GCHS also offers more courses than the average school in Sweden. My going to GCHS has been a very pleasant experience and spending some time in a foreign country is something I think everybody should try.

Hello! My name is Krista Scheuer and I come from a small town in West Germany 100 km west of Hannover. I stayed only three months in the USA, but I think I experienced a great deal during this time. I like it very much here in the United States. I liked the people in school, especially those students in my chemistry class. Our school is very different in Germany. It is not as strict, but the courses are more difficult. Over all I'm very happy that I had the opportunity to come here and make so many new friends.

Hi, my name is Anette and I'm from Aalborg, a city in the northern part of Denmark. I'm a Rotary exchange student and I'm staying here in Guilderland for almost a year. The high school is very different from the Danish school, which is called "Gymnasium." It's much stricter and bigger. My school has about 600 students and we don't have any rules about passes and notes. The "Gymnasium" is like the high school junior and senior year and the first year of college. When I go back, I will still have two years left of "Gymnasium" because this year doesn't count for me. I will never regret that I came over here, because being an exchange student is a great experience and I hope a lot of people will get the opportunity. I really enjoyed going to GCHS, I met a lot of nice people, students and teachers, and I wish you all good luck in the future.

Though the varsity team did not enjoy an overly successful season as far as their record was concerned the team still had its moments. Led by the hitting of junior Chris Leupold and seniors Steve Wisniewski and Greg Peck, and the pitching of senior Tom Carr and junior Alex Jefferson, the squad always battled to the end against the best of the Suburban Council. The efforts and leadership of Coach Nicholas drove the team to keep the opposing teams on their toes and in constant suspense. The team, though their record might not indicate, played tight, competitive ball throughout the entire season. The season also included the development of underclassmen Tony Perrino, Tim Esposito, and Joe Center, who will be back next year along with Leupold and Jefferson to build that driving force.

Track and Field

The 1984 team saw four seniors who really put on some great performances. Tri-Captain Gene Napierski broke a 20 year old record in the shot put with a heave of 51'4" (formerly held by Dick Tarullo). Aaron Goodbee was not to be outdone as he also broke an all time school record in the 400 Intermediate Hurdles in a time of 57.9 seconds. Jim LeBrou, Tri-Captain was a heavy point scorer always finishing high in the 1600 and 3200 meters. His bests were 4:37.6 and 9:52.2 respectively. Not to be forgotten was Mike Murphy who was injured half way through the season. In Outdoor Track he was making fine progress before his setback. His Indoor mark of 44'3" easily beat the Outdoor record 42'9½" . . . Much success for our departing seniors and congratulations.

The future is a bright one. Other outstanding marks were recorded:

The 1985 season saw the advent of the best facility for Track and Field in the State of New York and it is right here at Guilderland High School. Our school will be the site of 5 home meets with a possibility of one or two "big" meets in Section Two. The track itself has 8 lanes with a steeple chase. One interesting meet was held on April 27, 1985 when Guilderland hosted a "Double" Invitational. Nine schools participated.

The coaches this past year were Mr. William Drake, Mr. Denis Slattery and Mr. Michael Rose.

Boys' Outdoor Track

Row 1: J. Murphy, G. Napierski, J. LeBrou, A. Goodbee. **Row 2:** B. Perkus, L. Kelley, P. VanZandt, P. Schultz. **Row 3:** K. McCartan, M. Purcell, K. Reilly, R. Stealey, C. Wooster. **Row 4:** A. Varsity Football

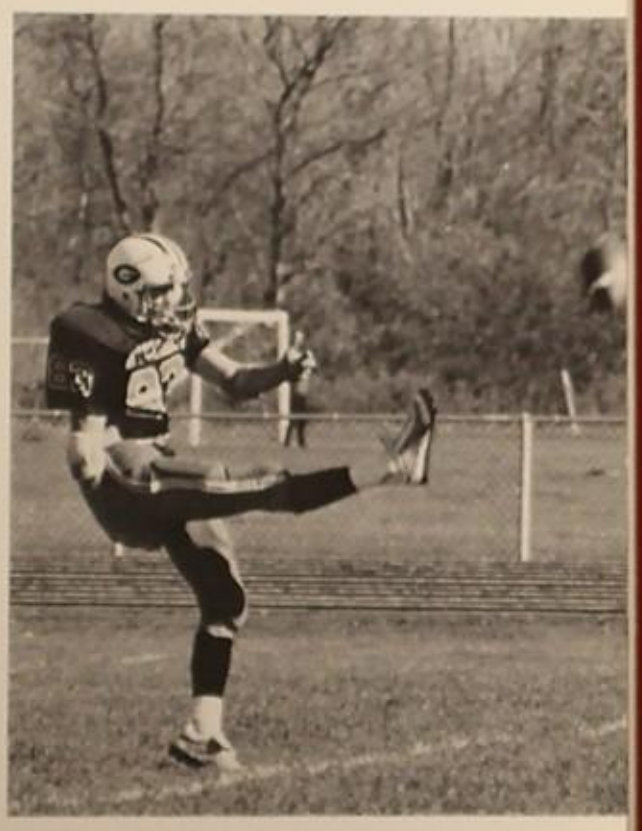
The varsity football '84 season was disappointing, but the 2-7 record was not indicative of the closeness of most of our losses. Top performers were Tim Lamitie, MVP . . . Carl Decesare, most improved . . . Craig MacNeil, lineman of the year . . . and Brian Lane, who received the "most desire" award. All players contributed to our improvement and progress throughout the fall. Coach Steenburgh, who began his coaching career at Guilderland in 1965, retired at the end of this year. He has given twenty excellent seasons of coaching to the school and players: Dutchmen football will miss him.

Coach Waugh

Row 1: R. Levin, V. Myer, C. MacNeil, T. Lamitie, B. Lane (Captain), T. Keating (Captain), P. Reilly, C. DeCesare, J. Ros
Row 2: B. Safford, M. MacNeil, M. Houghton, M. Keever, S. Das, D. Moore, C. Visker, D. Farley, R. Earle. **Row 3:** J. Center, P. Sahar, D. Visker, M. Baumann, S. Mancini, B. Houffman, P. Schulta, P. Folger, D. Muth. **Row 4:** Coach Wood, S. Marotta, J. McCormick, K. Audino, E. Maslak, S. Cahill, Coach Deal, Coach Steenburgh.

J.V. Football



The J.V. football team started the season slowly and were 0-3 going into the Shenendehowa game. The half-time score of that game was 20-6 Shenendehowa. From that point on we played great football tying Shenendehowa 20-20 and finishing the season 4-4-1. The young men on this team have the potential to be Suburban Council champs if they work hard and continue to improve. The group was enjoyable to work with and they never quit. They were proud representatives of the Guilderland Athletic Program.

Row 1: B. Sommers, J. Bufalini, R. Camardo (Captain), D. Shamberger, B. Bastiania, D. Huyck, J. Maslak, J. Battista, K. Yodis, S. MaCarthy. **Row 2:** A. Bosco, F. Smith, J. Jackson, D. Querques, M.
